Dear Rick Meyers,

Thank you so much for your wonderful contribution to the Mel Blanc Project.

You and Dennis Nyback did double duty, both as musicians and as music historians. We were so fortunate to benefit from your years of research into this topic.

We learned from your talk on June 15, 2011 that Mel Blanc grew up in a city which provided him with plenty of role models for successful as a professional entertainer. Plus lots of exposure to live music!

Our grants from Kinsman Foundation and from Miller Foundation make it possible for us to offer you this small honorarium as a token of our appreciation of your wonderful lecture.

Sincerely,

Anne Richardson
