There's no official relationship with the following institutions, but the relationships we have with individuals *within* those institutions creates the same cross fertilizing effect:

Bonneville Power Administration  
Alvin B. Joseph Library  
Southern Oregon Historical Society  
Cottage Grove Historical Society  
Silverton Historical Society.

The list of individuals who have worked with OCI, either as volunteers or as guest speakers, is much longer than this list of partner institutions.

“Essential wisdom accumulates in the community just as fertility builds in the soil.” Wendell Berry
