Dear Craig Adams,

Thank you so much for your wonderful contribution to the Mel Blanc Project.

Together you and Robyn Tenenbaum illuminated Portland's special talent for producing great radio and great radio performers. We were so fortunate to benefit from your years of research into this topic.

We learned from your talk that Mel Blanc grew up in a city uniquely equipped to nurture his talents and ambitions. Given what we learned about the importance of radio in Mel Blanc's professional life, how fitting to have two Portland radio professionals induct him into Oregon Cartoon Institute's Hall Of Fame!

I would like to arrange a time, convenient to you, to have you add your signature to the document before we frame it.

Our grants from Kinsman Foundation and from Miller Foundation make it possible for us to offer you this small honorarium as a token of our appreciation of your June 29, 2011 lecture.

Sincerely,

Mel Blanc Lecture Series
