Dear Robyn Tenenbaum,

Thank you so much for your wonderful contribution to the Mel Blanc Project.

Together you and Craig Adams illuminated Portland's special talent for producing great radio and great radio performers. Thank you for bringing along two of your stand out Live Wire stars to help with the discussion!

Given the importance of radio in Mel Blanc's professional life, we were so pleased to have you and Craig there to induct him into Oregon Cartoon Institute's Hall Of Fame. I would like to bring the document by the Live Wire office someday, at a time convenient to you, to have you add your signature before we frame it.

You asked if you could have a copy of the document. We are pleased to provide that to you.

Our grants from Kinsman Foundation and from Miller Foundation make it possible for us to offer you this small honorarium as a token of our appreciation of your June 29, 2011 lecture.

Sincerely,

Anne Richardson
