

**Tried
Healing my
Inner teen
and all I got is
CREDIT CARD DEBT**

By Natalie Garcia

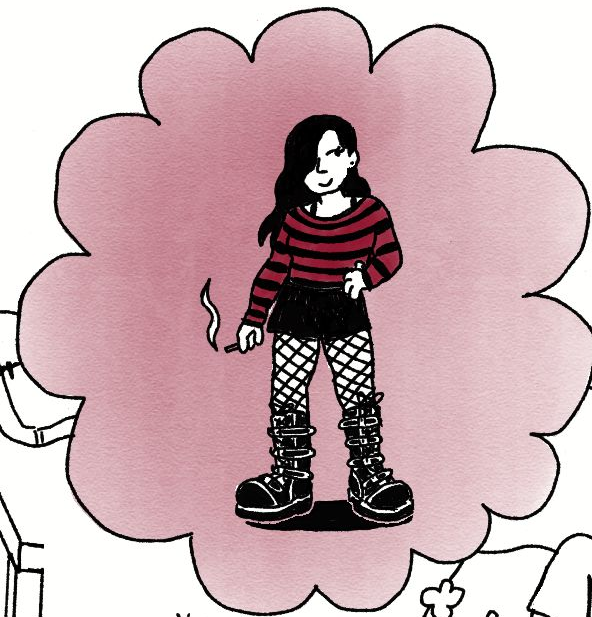

I've been letting my heart make
unwise financial decisions

I drove two hours to pick up a CD player
because I've been starting a CD collection

And then, at a garage sale...

I found these beautiful boots!

listening to MCR

Sketchbook full of Gerard Way fanart

They're the kind of boots 14-year-old Natalie used to dream of

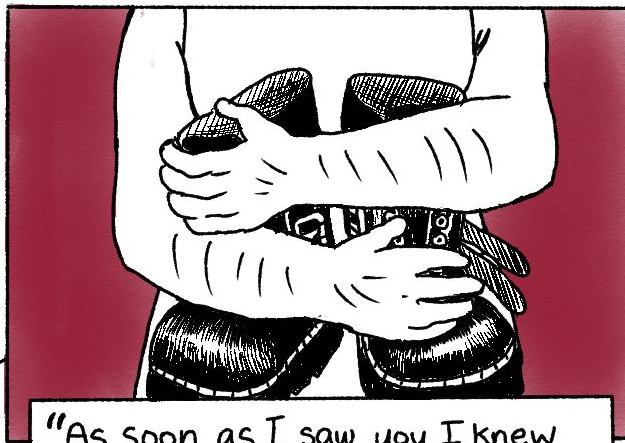

and they were
exactly my size.!

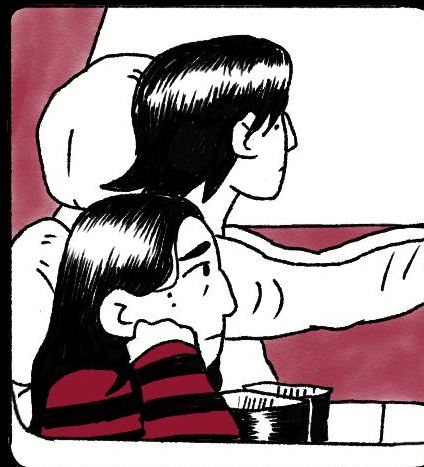

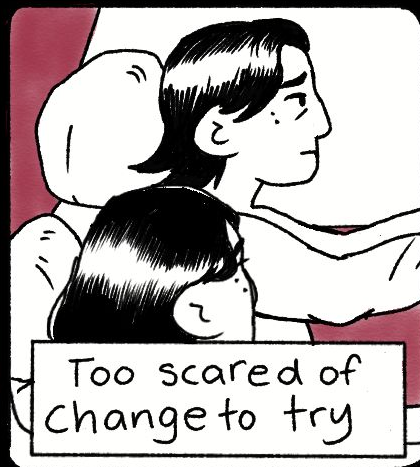

as I was leaving, the
seller told me

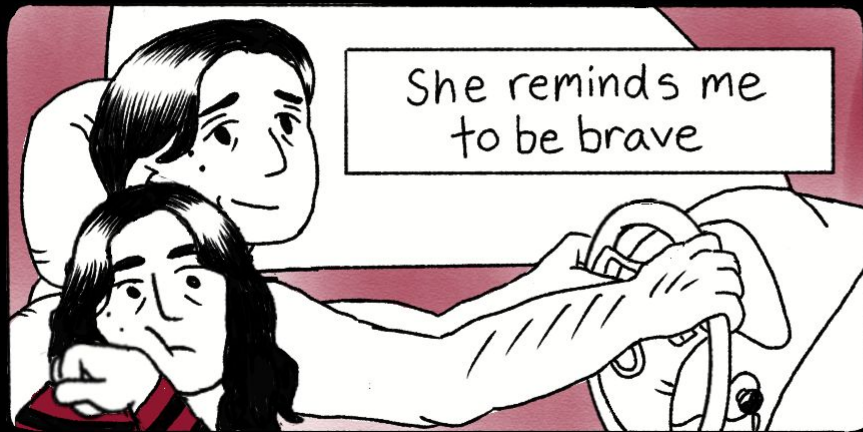

"As soon as I saw you, I knew
those boots would suit you perfectly"

Revenge,
obviously!

So, Danger Days
or Three Cheers
for Sweet Revenge?
